

# Create a myCourses Connection in Respondus

Spring 2015

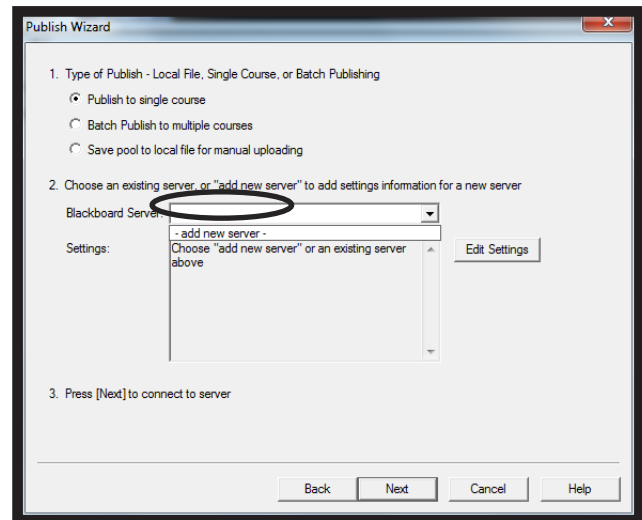

Blackboard

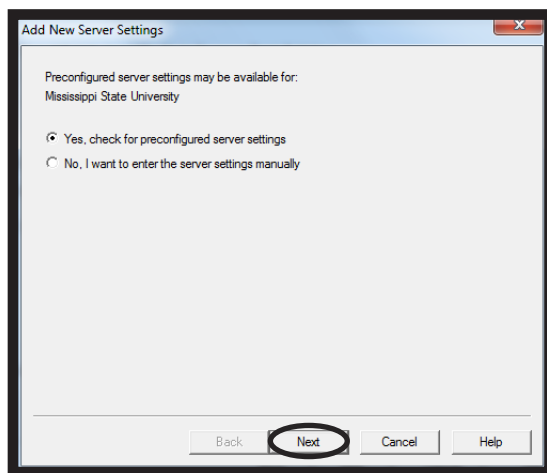

Creating a myCourses link in Respondus can be accomplished in just a few steps. Use the following instructions to do so.

1. With your desired file open in Respondus, click the **Preview and Publish** tab. Select **Publish to Blackboard** then click the **Publish Wizard**

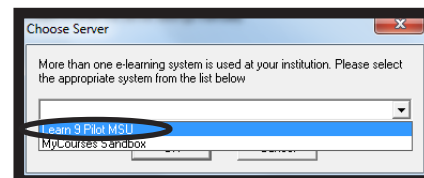

2. Click the **Blackboard Server** drop-down box and select **-add new server-**.

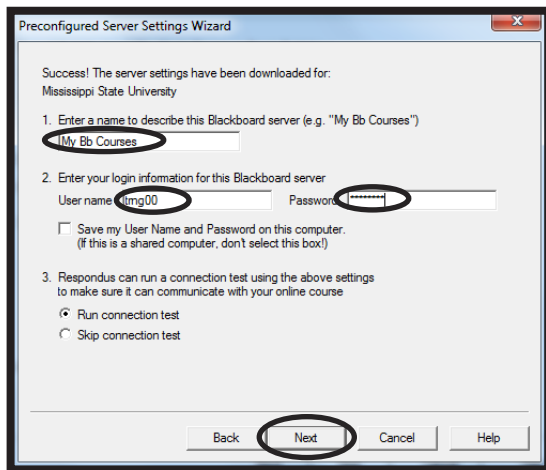

3. The Add New Server Settings box will appear. Click the **Next** button.

4. Click the drop-down box and choose **Blackboard Learn**. Then click the **Next** button.

The Center for Teaching and Learning

5. Give your link a name. Enter your MSU NetID and NetPassword. Then click the **Next** button.

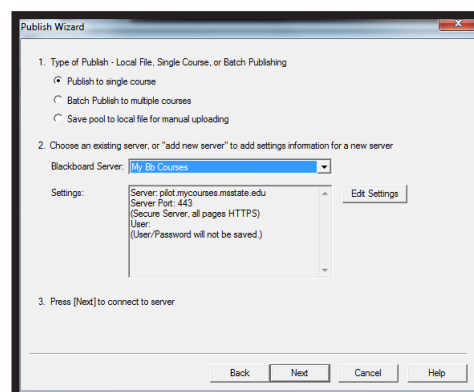

6. Click the **Next** button after the connection test is completed.

7. Click the **Finish** button.

8. Your link to myCourses is now available.
